

UMOVE(ME) 2018

University of **Minho** **OVErseas** **Mobility** **E**xperience

Results of the 3rd call - Students

17th July 2019

Following the application period for the **UMove(ME) 2018** Erasmus ICM, KA107 project, between 23/04/2019 – 31/05/2019, the Universidade do Minho (UMinho), Coordinating Institution, received a total of 64 applications.

As per project's guidelines, UMinho was responsible for receiving and validating all applications submitted within the above-mentioned deadline. From the submitted applications, a total of 32 were rejected as none or not all requested documents were submitted. The applicants and their Home Higher Education Institutions (HEI) were informed, and an opportunity was given for providing evidence of the expenditure of the requested documents.

All validated applications were sent to the Home HEI for evaluation of the applicants using the following criteria:

- (i) Academic background and merit: 0 to 8 points
- (ii) Relevance of the study/work plan: 0 to 6 points
- (iii) CV: 0 to 3 points
- (iv) English or Portuguese language knowledge: 0 to 3 points.

All partner HEIs sent the requested information. From the 32 pre-selected applications by UMinho, a total of 4 were rejected by the Home HEIs.

Therefore, a total of 28 applications were forwarded for the analysis of potential host Schools/Institutes, which, in turn, gave a positive or negative evaluation to the applications, based on the following criteria:

- (i) Academic background and merit: 0 to 8 points
- (ii) Relevance of the study/work plan: 0 to 6 points
- (iii) CV: 0 to 3 points
- (iv) English or Portuguese language knowledge: 0 to 3 points.

At the end of the process UMinho had a total of 28 viable applicants. Within the third call, UMinho took into account the possibility of changing the type of scholarship (ex.: in the absence of applications for SMS, the scholarships were converted into STA or STT), as well as the direction of the mobility (ex.: in the absence of applications from UMinho, the scholarships went to the Partner Countries). However, priority was given to the candidates for the type of open vacancy, as initially approved. Modifications of flows in terms of countries were not allowed. A total of 14 grants were allocated within the 3rd call of the UMove(ME) 2018 project.

The lists of excluded, pre-selected, reserve list and selected candidates are available at <https://alunos.uminho.pt/EN/students/mobilityprograms/Pages/ICM.aspx>

All selected candidates, and respective HEI, will receive the information by e-mail. All should accept or reject the scholarship by sending a specific form to sri@sri.uminho.pt
