The Erasmus+ Programme

Erasmus + is the European Union (EU) program in the fields of education, training, youth and sport for the period 2014-2020.

Erasmus + provides opportunities for more than 4 million Europeans to study, train and gain work experience and perform volunteer work abroad, supporting cooperation and the development of partnerships between European institutions and other parts of the world.

JAMIES - International Credit Mobility

The International Credit Mobility (ICM) is part of the Key Action 1 of the Erasmus + Program and allows a Higher Education Institution (HEI) in a partner country to send students, teaching and non-teaching staff to study, teaching and training missions to an HEI in a Program country and vice versa.

JAMIES is the result of a partnership between Universidade do Minho (Coordinator), Universidade do Algarve, Universidade Nova de Lisboa, Universidade do Porto and Universidade de Trás-os-Montes e Alto Douro, under ICM 2019, and allows the 5 Higher Portuguese Institutions to receive/send students, teaching and non-teaching staff from/to 5 partner countries outside Europe - Jordan, Lebanon, Palestine, Syria and Tunisia.

JAMIES has a total of **55 scholarships/grants**:

- 19 scholarships for students from partner countries to study at JAMIES institutions (SMS IN);
- 3 scholarships for students from JAMIES institutions to carry out a mobility period at HEIs in partner countries (SMS OUT);
- 10 grants for teaching staff from partner countries to teach at JAMIES institutions (STA IN);
- 8 grants for teaching staff from JAMIES institutions to teach at HEIs in partner countries (STA OUT);
- 10 grants for non-teaching staff from partner countries to carry out training missions at JAMIES institutions (STT IN);
- 5 grants for non-teaching staff from JAMIES institutions to carry out training missions at HEIs in partner countries (STT OUT).

II – General Eligibility Criteria

To be eligible for an Erasmus+ scholarship under this project, **all participants must be linked, during the application stage until the moment the mobility takes place, either to one of the Portuguese Universities involved in the JAMIES Consortium or to a Partner University.**

Students must be enrolled, at full time, in an Institution of Higher Education and enrolled in a level of studies leading to a recognized degree or a tertiary level of recognized qualification.

For **Undergraduate and Integrated Master Studies**: students must be enrolled at least in the second year of their higher studies to be eligible to undertake a period of mobility.

For **Master Studies**: students must have completed at least one semester at the institution of origin before completing a period of mobility.

For **Doctorate Studies**: students must have completed at least one year of studies and already have a research project.

Teaching and non-teaching Staff: must have a contractual relationship with one of the Portuguese Universities involved in the JAMIES Consortium or a partner institution in order to be eligible to apply for a scholarship.

Teaching mobilities: an activity that allows teaching staff to teach in a partner Higher Education Institution (HEI) abroad. Mobility of teaching staff can occur in any area of study/academic discipline. These teaching periods should last for a minimum period of 5 days and involve at least 8 hours of teaching.

Training mobilities: an activity that supports the professional development through training events abroad (excluding conferences) and periods of job shadowing/observation/training at a partner HEI. In the case of UMinho, priority will be given to training periods involving non-teaching staff.

All applicants must receive formal support from their home institution by issuing a letter of support or by signing the Mobility Agreement (this document is mandatory at the application stage).

Erasmus + allows students to complete different mobility periods, provided that the minimum duration for each activity and the maximum duration of 12 months per study cycle is respected. Teaching and non-Teaching Staff may make several mobilities, provided that they are properly substantiated.

After the selection, candidates admitted must meet the admission criteria of each host institution.

In the case of JAMIES institutions, the candidates will initially be screened by the SRI in terms of eligibility, and subsequently submitted for evaluation of Academic Coordinators (for students) and UOEI Presidents (in the case of teaching and non-teaching staff). All applications that receive a positive evaluation from JAMIES institutions will be forwarded for validation of their hosting HEIs. The final selection of all candidates will be made by the JAMIES Consortium, where a jury, composed by 1 member of each of the Portuguese Institutions involved in the JAMIES consortium, will meet and decide the final award of the scholarships/grants, taking into account criteria such as: academic merit, relevance of the work plan, balanced distribution of scholarships between Partner universities, gender balance, among others.

The results will be communicated via email and will be published in the online page of the project: <https://alunos.uminho.pt/EN/students/mobilityprograms/Pages/JAMIES.aspx>.

Mobility Implementation

I – Obligations of Home and Host Institutions

Travel – All selected participants are responsible for purchasing their own plane ticket, always respecting the periods established for the mobility. The payment of the travel amount will be defined in the mobility agreement that will be signed between JAMIES institutions and the grant holders.

Stay Allowance - A mobility agreement is signed between JAMIES and the grant holder who defines the conditions, benefits and responsibilities related to the implementation of the project, as well as the schedule of the payments covered by the scholarship/grant.

Visas - When necessary, it is the responsibility of the scholarship holder to obtain a visa in their country of origin, always supported by the International Relations Offices. Each host institution shall issue the appropriate documents for selected students/staff to apply for a visa in accordance with national laws.

Insurance - JAMIES pays insurance to all students and teaching and non-teaching staff (including medical expenses, accidents, legal assistance, etc.).

Recognition – In the case of students' mobility, it is mandatory that all partner institutions consider the study period undertaken abroad as an integral part of the study programme developed in the home institution. The home Higher Education Institution of the scholarship holder must guarantee the full academic recognition (including exams and other forms of evaluation) of the study period undertaken at the host institution, through the signature of the Learning Agreement, as long as the student has obtained a passing grade. Students must assure that the study plan is discussed with the responsible professor before the departure to the host institution and that all the necessary documents for the validation (recognition) process are provided in due time to the home institution.

The sending and hosting institutions should organize preparation sessions and integration activities for the grant holders as well as to support them in their search for accommodation and guarantee access to all the services offered by the universities.

II – Obligations of Grant Holders

JAMIES reserves the right to request the total/partial reimbursement of the payment of the scholarship/grant if:

- The grant holder withdraws from the project in case of force majeure;
- The grant holder does not comply with the internal regulations of the host Institution;
- The grant holder does not comply with the internal regulations established by the institution of origin;
- The grant holder leaves the host institution;
- The grant holder doesn't fulfil the requirements of his study/work program;
- The grant holder does not meet the minimum mobility periods established by the Program.

Other obligations:

- The grant holder cannot accept any other mobility grant awarded by the European Union, during the current scholarship/grant period;
- The grant holder must inform the sending and host institutions of any change in relation to the study/work period. If this happens, a new Learning Agreement/Work programme must be signed;
- At the end of the mobility period, all scholarship holders will receive the Transcript of Records detailing the results achieved. All students must obtain a positive mark in all subject areas/activities foreseen in their study program. In case this criterion is not fulfilled, JAMIES will consult the European Commission and the Legal Department in order to identify the procedures to be followed, which may result in the return of the scholarship;
- Teaching and non-teaching staff must comply with the established program. Failure to do so may result in return of the grant;
- The grant holder is compelled to communicate (by e-mail) to the sending and receiving institutions any difficulties experienced during the period of mobility, such as: language barriers; integration with colleagues; communication with teachers; difficulty in obtaining study materials; health insurance; accommodation; etc.
