<b>Anúncio:</b>	<p>Dear colleagues,</p> <p>I would also like to tell you about a wonderful internship opportunity at Aalto University in the summer 2019. The Aalto Science Institute internship programme offers undergraduate students (BSc level) the opportunity to participate first-hand in topical research, to interact with the premier research groups at Aalto University, and to network in an international environment.</p> <p>The application period opened on 08 January 2019. The deadline for applications will be 31 January 2019. Potential candidates will be contacted in early March 2019. Positions are available in several fields of study ranging from computer science, physics, physical chemistry, electrical engineering etc. ASci interns are usually hired for three months, and the typical training period is from 1 June until 31 August. More information is available here: <a href="https://www.aalto.fi/aalto-science-institute/how-to-apply-to-asci-internship-programme">https://www.aalto.fi/aalto-science-institute/how-to-apply-to-asci-internship-programme</a>.</p> <p>We would be happy if you could let your students know about this opportunity!</p> <p>Kind regards, Kaisa Riekkola</p> <p>Ystävällisin terveisin / Best regards</p> <p>Ms. Kaisa Riekkola Coordinator, Incoming exchange students Learning Services (LES) Aalto University</p>

Salientamos que o programa Erasmus+ permite a realização de três tipologias de estágio: curricular, extracurricular e recém-graduado (informações adicionais em: <https://alunos.uminho.pt/PT/estudantes/programasmobilidade/Paginas/EstagiosErasmus.aspx>).

Será importante referir que a possibilidade de atribuição de uma bolsa Erasmus Placement ao candidato selecionado estará sempre dependente do cumprimento dos requisitos de elegibilidade associados ao Programa Erasmus+. Para a formalização deste processo o estudante deverá contactar os SRI ([erasmusplacement@sri.uminho.pt](mailto:erasmusplacement@sri.uminho.pt)).
