- 25 applications OUT (1 SMS / 19 STA / 5 STT)

From the submitted applications, a total of 229 applications (228 IN / 1 OUT) were rejected as the relevant documents were not submitted. This information was sent to all applicants and an opportunity was given for providing evidence of the expenditure of the requested documents.

A total of 141 applications IN were sent for evaluation of the Home institutions and 14 were not approved. A total of 24 applications OUT were validated by the Portuguese Home Institutions.

The evaluation criteria used by both Home and Host institutions was the same:

(i) Academic suitability and the relevance of the application: 0 to 8 points

(ii) Relevance of the work/study plan: 0 to 6 points

(iii) CV: 0 to 3 points

(iv) English or Portuguese language knowledge: 0 to 3 points.

At the end of the evaluation process, there was a total of 97 viable applications IN and a total of 24 viable applications OUT.

The Selection Committee met via Zoom, on the 17th of April 2020, and did the final selection of the scholarships following established criteria for selection in order to achieve the highest impact of the project, the respect for home institutions/countries' priorities, the evaluation by host institutions, the balance among partners, the creation of new cooperation opportunities and the awareness for eventual cross-cutting issues. The methodology used to produce the final proposal for selection is indicated as following:

- ✓ Respect for the mobility distribution approved by the European Commission and Portuguese National Agency;
- ✓ Balance among partner institutions regarding the number of mobility flows (*incoming* and *outgoing*);
- ✓ Balance among partners so as to achieve a strong impact of the project (a fair distribution among the sending and receiving partners);
- ✓ Evaluation by the host/home institution;

- ✓ Level of priority defined by the candidates in the application (1st, 2nd and 3rd option).
- ✓ Priority defined by the home institution;
- ✓ Gender balance (whenever candidates presented equivalent quality, priority would be given to the female candidate).

At the end of the process, a total of **51** grants were allocated within the 1st call of the JAMIES 2019 project.

All selected candidates, and respective HEI, will receive the information by e-mail. The selected candidates should accept the scholarship by sending a specific form to sri@sri.uminho.pt.
