The methodology used to produce the final proposal for selection is indicated as following:

- ✓ Balance among partner institutions regarding the number of mobility flows (*incoming* and *outgoing*);
- ✓ Balance among partners so as to achieve a strong impact of the project (a fair distribution among the sending and receiving partners);

- ✓ Evaluation by the host/home institution;
- ✓ Level of priority defined by the candidates in the application (1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> option).
- ✓ Priority defined by the home institution;
