Results of the Call – Staff

18th of November 2022

Following the application period for the **UMove(ME) 2020**, Erasmus ICM, KA107 project, between the 03/10/2022 – 21/10/2022, the Universidade do Minho (UMinho), received a total of 15 applications (2 SMS, 4 STA and 9 STT).

Within this call, UMinho took into account the possibility of changing the type of scholarship (ex.: in the absence of applications for STA, these scholarships were converted into STT, and vice-versa), as well as the direction of the mobility (ex.: in the absence of applications from UMinho, the scholarships went to the Partner Countries, and vice-versa). However, priority was given to the candidates for the type of open vacancy.

As per project's guidelines, UMinho was responsible for receiving and validating all applications submitted within the above-mentioned deadline. All validated applications were sent for the analysis of potential host Schools/Institutes/Services of UMinho, which gave a positive or negative evaluation to the applications, based on the following criteria:

- (i) Academic suitability and the relevance of the application: 0 to 8 points
- (ii) Relevance of the work plan: 0 to 6 points
- (iii) CV: 0 to 3 points
- (iv) English or Portuguese language knowledge: 0 to 3 points.

At the end of the process, UMinho had 15 viable applicants (2 SMS, 4 STA and 9 STT) and 14 grants were allocated (2 SMS, 4 STA and 8 STT) within this call.

The lists of reserve-list and selected candidates are available at <https://alunos.uminho.pt/EN/students/mobilityprograms/Pages/ICM.aspx>
