

PEERS 2022 – International Credit Mobility

Results of the 2nd Call

Following the launch of the 2nd Call within the **PEERS 2022** - Erasmus ICM, KA171 project, a total of 44 applications IN (16 SMS / 28 STAFF) were received and sent for evaluation of the Home and Host institutions.

The evaluation criteria used by both Home and Host institutions was the same:

- (i) Academic suitability and the relevance of the application: 0 to 8 points
- (ii) Relevance of the work/study plan: 0 to 6 points
- (iii) CV: 0 to 3 points
- (iv) English or Portuguese language knowledge: 0 to 3 points.

The PEERS Selection Committee did the final selection of the scholarships following established criteria for selection in order to achieve the highest impact of the project, the respect for home institutions/countries' priorities, the evaluation by host institutions, the balance among partners, the creation of new cooperation opportunities and the awareness for eventual cross-cutting issues. The methodology used to produce the final proposal for selection is indicated as following:

- ✓ Respect for the mobility distribution approved by the European Commission and Portuguese National Agency;
- ✓ Balance among partner institutions regarding the number of mobility flows (*incoming* and *outgoing*);
- ✓ Balance among partners so as to achieve a strong impact of the project (a fair distribution among the sending and receiving partners);
- ✓ Evaluation by the host/home institution;
- ✓ Level of priority defined by the candidates in the application (1st, 2nd and 3rd option).
- ✓ Priority defined by the home institution;
- ✓ Whenever candidates presented equivalent quality, priority would be given to the candidates with no previous mobility;
- ✓ Whenever relevant, priority would be given to the candidates with fewer opportunities.

At the end of the process, a total of **32** grants were allocated within the 2nd call of the PEERS 2022 project.
